CLASS SONG

(Tune - Heart of My Heart)

Dear Stanhope High,
Oh how we hate to leave,
All of our friends
And teachers, how we grieve!
When we were freshmen
Walking down the halls,
We were kind of bashful kids,
But, oh those were the
Good old days!
Yes, Stanhope High,
We're leaving now for good,
Oh, how we hate to go!
And though a tear does glisten,
We want you all to listen
To this gang that's leaving
Stanhope High!

In Witness Whereof, We, The Class of 1962, the Testators, have set our hands and seals hereto this twenty-third day of May, in the year of our Lord one thousand nine hundred and sixty-two (1962).

History of the Class of '62

On February 27, 1950, twenty-six little boys and girls began their first day of school at Stanhope. The following have been together since Kindergarten: Mark Coats, Miriam Dick, Ricki Engelby, Ronald Fuller, Sandra Hanson, Jackie Hill, Larry Hill, Lester Hill, Cheryl Johnson, Darrell Johnson, Ronald Magnuson, Judie Meyer, Janet Miller and Larry Reinsch.

Probably one of the best remembered events of our second year was the day we moved into the new grade school building. We were the first class to move, and what a thrill it was! New desks, a coat room, and new everything. In fourth grade we gave a play about Columbus for our mothers and some of the other grades. Seventh grade proved an interesting time. We went on a hike and got into a patch of posion ivy! We also went on a trip that year, to Des Moines to see Governor Loveless, and the Iowa-Des Moines Bank. Halloween, Christmas, and Valentine's Day were special occasions to which we all looked forward. During our years in the grades, four new people joined our class. They were Mary Haukoos, Melvin Craven, Richard Linedman, and Richard Brekke. We would like to ex-

press our thanks to our grade teachers. They are as follows: Miss Rhodes (The present Mrs. Stechell), Mrs. Arendts, Miss Isvik, Mrs. Holstrum, Mrs. Johnson, Mrs. Wells, and Mrs. Nelson.

In the fall of 1958 twenty new freshmen walked into the Stanhope High School assembly and took their seats. Lyle Moeller and Duane Tietjen were there to begin the high school years with us. The class officers were Duane Tietjen - President, Ricki Engelby - Vice President, Ron Magnuson - Secretary, and Darrell Johnson - Treasurer. Our class sponsors were Mr. Arnold Bode and Mr. Charles Worsfold.

Our Sophomore year brought more new experiences. This year we were the decorators for the Halloween Dance in the Community Building that was sponsored by the Lion's Club. In the spring the Juniors asked us to provide the entertainment and do the serving for their banquet and prom. The boys did an excellent hula dance, and the girls looked nice in the "mu-mu's" they had made. Our officers were Lyle Moeller - President, Ron Fuller - Vice President, Jackie Hill - Secretary, and Sandra Hanson - Treasurer. Mrs. Dayton Passmore and Mr. John Bullen were our class sponsors.

The year of 1960 brought an excited group of Juniors together again for a third year of high school. We were all ready to hunt for the Seniors on the Junior-Senior Hunt. This was the first time the Juniors found any Seniors, in fact we found three groups. A lot of people in the audience were surprised when they found out "Who Killed Aunt Caroline?" at our class play. Money was earned for the prom by selling magazines and by selling refreshments at the basketball games. We used as our theme, "The Roaring Twenties." The gym was divided into three sections. The first one was a bar, the second section a dance floor, and the third section a casino. The class officers were Jackie Hill - President, Ron Magnuson - Vice President, Sandra Hanon - Secretary, and Duane Tietjen - Treasurer. Our class sponsors were Mrs. Richard Focht and Mr. John Bullen.

The Fourth and final year was one of the most important steps of our lives. Again we participated in the Junior-Senior Hunt, this time we hid. No groups were found. Our Senior Pictures were taken in October, so we had them back by Christmas. We had many projects to make money for our Senior trip to Colorado. Some of them were: bake sales, candy sales, a K.S.O. basketball game, a dance, and a car wash. Thanks to Miss Margaret Alexander, our director, the play, "Mountain Gal," was a success. The Junior class gave a nice banquet and prom which we all enjoyed very much. Our class officers this year were Mark Coats - President, Ron Magnuson - Vice President, Lyle Moeller - Secretary, and Jan Miller - Treasurer. Mrs. Richard Focht and Mr. John Bullen were our sponsors. On May 24, nineteen graduates received their diplomas, which ended the line of graduating Seniors from the Stanhope school. The 1962 Seniors are: Richard Brekke, Mark Coats, Melvin Craven, Miriam Dick, Ricki Engelby, Ron Fuller, Sandra Hanson, Mary Haukoos, Jackie Hill, Larry Hill, Lester Hill, Darrell Johnson, Richard Lindeman, Ron Magnuson, Judie Meyer, Jan Miller, Lyle Moeller, Larry Reinsch, and Duane Tietjen.

Class Prophecy 1962

The year is 1972, the place is the now famous LaVonne's Cafe located in downtown Stanhope. The Stanhope class of '62 is gathering together on this day, May 21st, for a tour together of the World's Fair which is now taking place in Stanhope.

The first of our honored guests is arriving now. It's RON FULLER. Ron has been busy burning up the tracks in the Middle West with his hopped up blue Chevy. Ron told me he got tired of making payments on his fifteen cars, so he bought the whole corporation.

Next to arrive is MELVIN CRAVEN. Melvin has been busy running two gas stations, one in Stanhope and one in Odgen. Since he makes many trips a week to Odgen he decided he would just buy a station, for you see, Mel's '53 Chevy is getting pretty old now and it takes a tank of gas to get to Odgen and a tank of gas to get home, so he figures it would be cheaper to buy the gas stations.

Is that music I hear, oh yes, here comes RON MAGNUSON, the singer of our class. While singing in music contest way back in '62, a talent scout happened to hear him and immediately signed him. Ron has just received his two hundredth gold record, the title being, "Let's Do The Twitch."

Now entering is MIRIAM DICK. Miriam was Stanhope's first peace corps representative. She just flew back to the states from Russia. Miriam has been very, very busy trying to make the Russians give up their traditional folk dance for the twist. Welcome back, Miriam!

Well, if it isn't the Hill twins, LARRY and LESTER. These two have just returned from roller skating around the world, the odd thing about their trip was Larry got blisters on his feet so he had to skate on his hands while Lester pushed.

Driving up outside is DARRELL JOHNSON. Darrell is now a full-fledged taxi-driver. He states he has made a fortune hauling boys to Webster, Ellsworth, Jewell, Randall and Stratford to chase girls - just like he used to do.

Well, look who just came in, JANET MILLER. I hear that she is here to attend the World Chiropractic Convention and also to see the fair. During her high school days she made so many trips to the Chiropractor and learned so much from these trips that she went into business for herself. She is now the president of the most powerful Chiropractic Union in the United States. It was nice that you could take time off from your busy schedule to join us here, Janet.

Is that the pounding of a basketball I hear? Of course, it is JACKIE HILL, our all-stater of '62. Jackie has just arrived from Africa where she teaches Math and Science. Her school is located about two-hundred miles into the dark Congo where the natives, as wild as they may be, are studying their trigonometry and chemistry. In her spare time, she shows them how to play basketball. Her favorite saying is, "On to State Tournaments."

Who has just arrived, I can't tell yet, oh now I see, it is JUDIE MEYER. Judie has had a hard time making up her mind what to do; she hasn't yet found a steady job. At all times she is ready for anything, so she carries around with her: pencils, pens, paper, hammer, nails, suitcase, lesson plan book, basketball, etc. Just keep hunting, Judie, someday you may find something.

Here comes RICKIE ENGELBY who is now a national renowned celebrity. He was just named as one of the nation's ten best dressed men by a national wide survey. I guess this goes back to his high school days. (Comes in dressed like a bum.)

I hear DUANE TIETJEN just landed. He is now the proud owner of his own airport in Stanhope. It's called, "Duane's Lane." Ten years ago, it was known as "Lovers Lane."

Oh no, what do we have here (Richard Brekke carries in a typewriter with his fingers caught in between the keys). RICHARD BREKKE is now president of "Brekke Mammouth Key Typewriter Corporation." He manufactures typewriters with extra large keys for those unfortunate people who are always getting their fingers caught between the keys. It seems that he is sympathetic with these people for some reason.

Well if it isn't MARK COATS. Mark is now Dean of Women at Radcliff (the exclusive girls' college of the East). After having so many brothers to look after he finally decided it would be more interesting to look after girls.

MARY HAUKOOS is arriving next. It seems Mary was found aboard the last capsule shot which landed in Hawaii; she made news as the "First Capsule Stowaway." In order for her to get back into the United States, she had to hula all the way back to Stanhope on her plane.

Coming in now is SANDRA HANSON, I think! Sandra is now working at her own joint. "Sandy's Pad," where she is the best beatnik clarinetist. Between her engagements she lives with her husband and their tribe on a deserted island. Her latest book published was, "How To Raise Beatniks."

RICHARD LINDEMAN, the chief of minor repairs of the World's Fair, is arriving now. He gained most of his helpful experience through endless hours of work at Stanhope High.

LYLE MOELLER, directly from Hollywood, just came in the door. Lyle is the latest heartthrob of millions of teen-age girls. As you can see this hasn't effected Lyle in the least. (Enter wearing dark glasses, cigarette holder and flashy clothes).

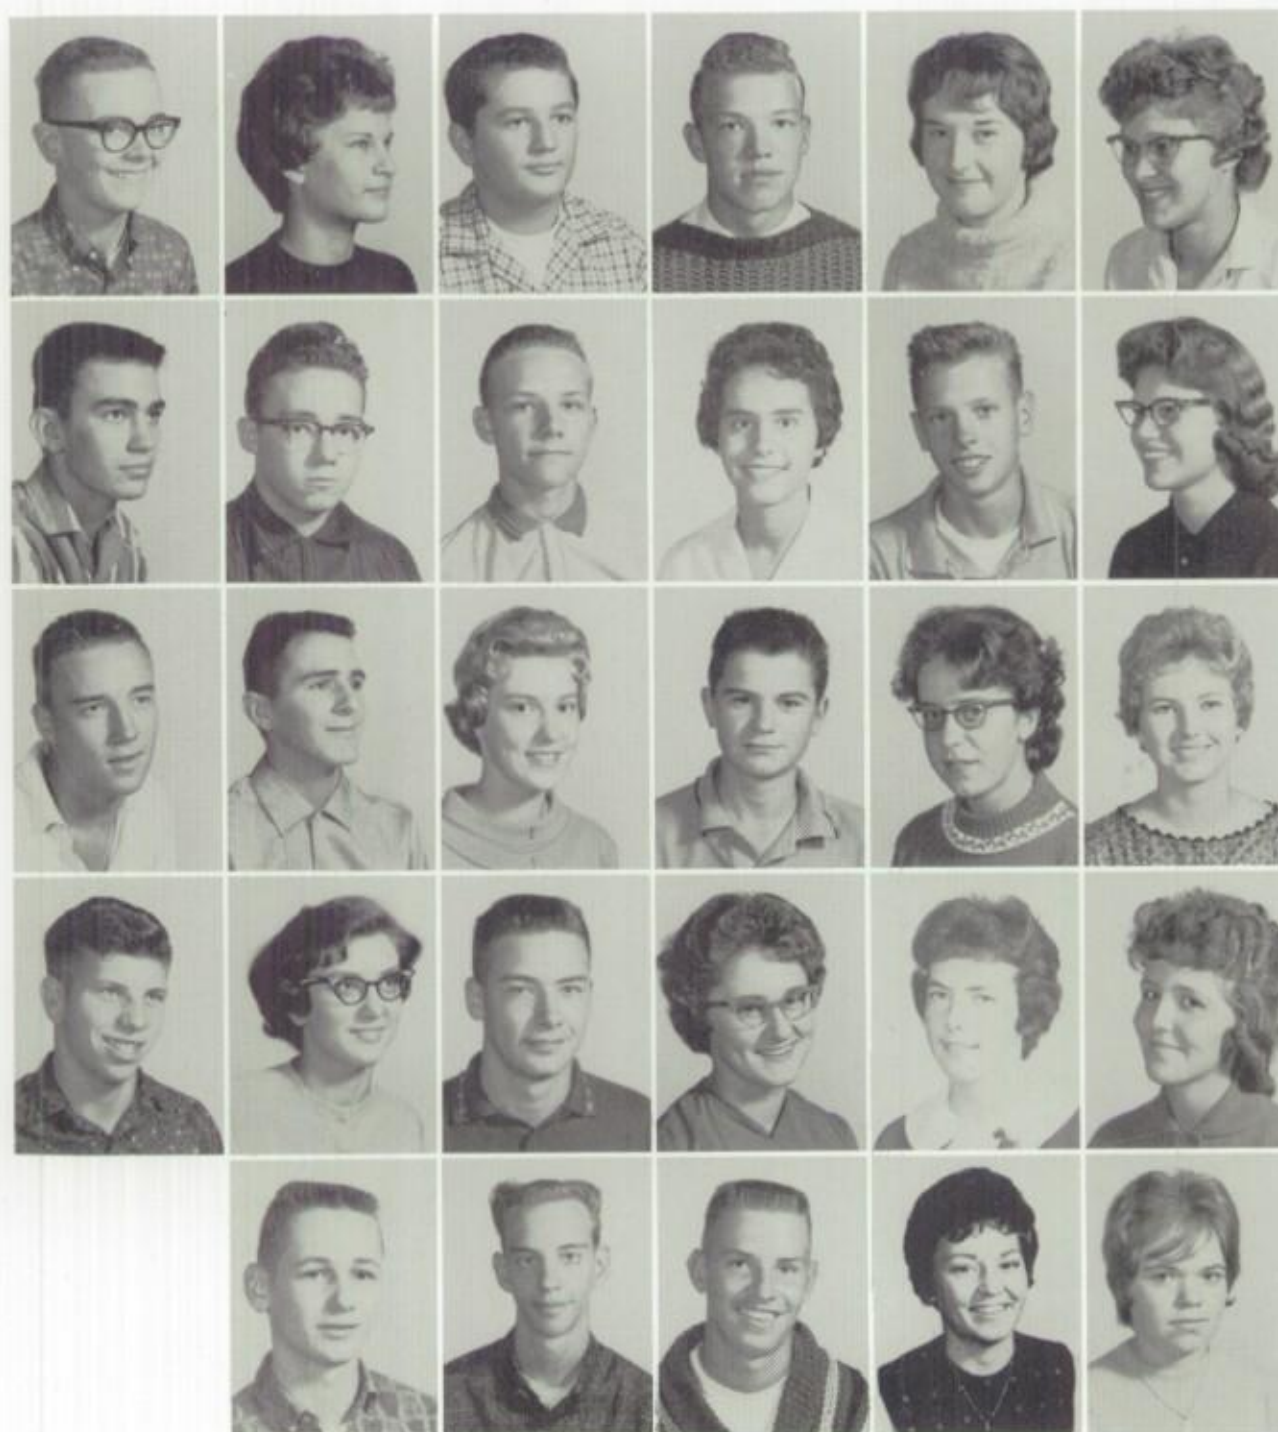

Last, but not least, is LARRY REINSCH. Larry is now the owner of a thrill show. After smashing up fifty cars, Larry finally met his Waterloo when his youngest son ran over him with a kiddie car while enjoying the rides here at the fair.

The entire class of 1962 is together again. We will leave them now to talk over old memories of their school days at good old Stanhope High.
